

**IN MARCH, SYRIA WILL BE ENTERING
A FOURTH YEAR OF CONFLICT...**

A CONFLICT THAT HAS

SPLIT A NATION,

**RESULTED IN VIOLENCE ON A
MASSIVE SCALE,**

**AND FORCED MILLIONS OF
CHILDREN FROM THEIR HOMES.**

Human efforts have failed to make a difference & change this atrocity. Join us in boldly coming before the Lord & asking God to do what only God can do by praying for God's peace to be revealed through us & through those in authority.

The children of Syria cannot afford to lose another year to the horrors of this conflict –

**AND THE WORLD CANNOT
AFFORD TO LOSE AN
ENTIRE GENERATION.**
