ROAD TO 2020

Quality, safe and inclusive basic education is accessible for children

Improve child health

Increase community resilience to disasters and economic shocks

Increase protection for vulnerable groups

TARGETED CHANGES

EDUCATION

25% increase in proportion of children who can read with comprehension

HEALTH

10% decrease in proportion of young children who are underweight

RESILIENCE

50% increase in proportion of caregivers able to provide well for their children

185 wards implementing local disaster risk management plans

50% increase in proportion of youth in employment, education or training

PROTECTION

50% children report a reduction in harmful practice (child marriage and gender based violence)

247 wards have local committees actively working to address child protection issues
