## Event: Providing Safe Water, Sanitation and Hygiene in Health Care Facilities

**Thursday, 31 August, 1600-1730, Pillar Hall in Norra Latin**

This session will explore the current status of WASH in health care facilities (HCFs) and share specific, simple actions that can be taken to improve WASH in HCFs safely, effectively and sustainably. Successful examples will be shared and participants will be given resources to help them participate in the improvement of WASH in HCFs.

*Convenors: Conrad N. Hilton Foundation, UNICEF, WaterAid, WHO and World Vision*
