**ASIA PACIFIC: Region with the highest number
of most vulnerable children**

About World Vision Asia Pacific

Present in the region for more than 70 years

Working in 18 countries,
implementing 577 programmes

Responding in the most disaster-prone region

Serving region with the most vulnerable children

Impacted 16.7 million people,
including 10.3 million children

Seeking fullness of life for every child

Through our work, globally,
every 60 seconds, a family gets water,
a hungry child is fed, a family receives
the tools to overcome poverty.

Our Region's Key Vulnerabilities

Most **disaster-prone region** in the world
(UNFPA, 2018)

An estimated **400 million extremely poor** live on less than **US\$1.9 a day**
(World Bank, 2018)

Two out of five stunted children in the world live in Southern Asia (UNICEF, 2020)

150 million children unable to go to school even before COVID-19 (Unicef, 2019)

42% of all children suffer physical abuse (Unicef, 2019)

Climate change acts as a hunger risk multiplier, exacerbating drivers of food insecurity (CGIAR, WFP, 2016)
