

WORLD VISION'S EMERGING LEADERS AWARD

THANK YOU FOR YOUR LEADERSHIP

An emerging generation of emerging leaders are stepping up to shape their communities and build a better future. These courageous young people are leading social causes, faith-based initiatives, community improvement projects, and many other inspiring ventures to serve others.

They are the inspiration for World Vision's Emerging Leaders Award.

As a Christian humanitarian organisation, World Vision looks forward to a world where every child experiences Jesus' promise of life in all its fullness. To work towards this future, we must invest in and partner with the emerging generation of young leaders to promote human transformation, seek justice and bear witness to the good news of the Kingdom of God. World Vision's Emerging Leaders Award will inspire and influence Global Leadership Network's network of leaders worldwide across business, government, civic and church by sharing the story and message of a Christian young person who is making a transformational impact in their community and world.
