Child Protection Intervention

**Goal**
Children are loved, protected and empowered

**Strategic objectives**
1. Children, with support from caregivers are resilient and able to respond to CP issues,
2. Child Protection systems and services are functional,
3. Community including parents, teachers, faith leaders and social leaders are actively engaged in providing protective environment for the children

**Expected Results**
1. Reduced prevalence of child marriage,
2. Reduced prevalence of physical violence among children,
3. Reduced gender based violence,
4. Reduced prevalence of child labour and trafficking,
5. Increased efficient child protection services in the municipal level,
6. Increased life and protective skills among the children, and

World Vision International Nepal (2021-2025)
## What we will achieve (until 2025)?

<table>
<thead>
<tr>
<th><strong>Child Protection and Advocacy</strong></th>
<th><strong>Children Life and Protective Skills (Rupantaran + Curriculum)</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>1) Strengthen capacity of child protection mechanism and standards at municipal level,</td>
<td>1. Capacitate peer educators and children with life and protective skills to protect themselves and peers,</td>
</tr>
<tr>
<td>2) Facilitate Local Level Context Analysis and Action plan on children at municipal level,</td>
<td>2. Engage parents on life and protective skills,</td>
</tr>
<tr>
<td>3) Facilitate in policy formulation and implementation,</td>
<td>3. Mobilise children on different social responsibilities including children rights programme,</td>
</tr>
<tr>
<td>4) Strengthen case reporting and referral mechanism in the municipal, provincial and federal level,</td>
<td>4. Increased accountable behaviours among the children to be safe and access the available CP services,</td>
</tr>
<tr>
<td>5) Engage multi-stakeholders to create child friendly and protective environment in the communities,</td>
<td>5. Facilitate children’s agency through capacity building and support of child club and life skills groups,</td>
</tr>
<tr>
<td>6) Mobilise community-based organisations, groups for issue based campaigns like ending child marriage, physical and sexual violence among children, child labour and online safety,</td>
<td>6. Engage children in different child led and other initiatives to advocate for the child rights and protection in their community,</td>
</tr>
<tr>
<td>7) Facilitate child labour free declarations among the municipalities,</td>
<td>7. Facilitate different forums for children, and</td>
</tr>
<tr>
<td>8) Engage local, province and federal government on collaborative initiatives for child rights and protection</td>
<td>8. Raise awareness on child rights and protection issues, services and skills among the children through monitoring and follow up events.</td>
</tr>
</tbody>
