

Why we are concerned

- 14.4 million people in need of humanitarian assistance
- 25 million people at risk of falling into poverty by 2022
- 405,700 people displaced internally since 1 February 2021
- 32,000 people estimated to have been displaced to neighbouring countries since 1 February 2021
- 534,671 confirmed COVID-19 cases with 9,310 deaths as of 28 January 2022

Source: UNHCR, UNOCHA, UNDP, WFP, WHO

World Vision is gravely concerned about the devastating impacts on more than five million of the nation's children who have either been traumatised, injured, displaced or at risk of being killed. We urgently call for humanitarian access to the vulnerable.

World Vision's commitment to the children and people of Myanmar remains steadfast during these challenging times. We will continue to stand with vulnerable children and their families to ensure that they receive the support which they need.

What we have done in the last year

LIVELIHOODS

- 1,173 vulnerable households received agricultural inputs
- 698 vulnerable households received livestock support
- 2,150 vulnerable children supported in partnership with VisionFund Myanmar (US\$ 300,000 loans disbursed to 694 households)

HEALTH, NUTRITION AND WASH (Water, Sanitation and Hygiene)

- 1,328 children under five received nutritious food packages
- 233,317 people, including 73,254 MVC, received COVID-19 preventive materials
- 65,851 people, including 17,903 children, reached through awareness campaigns on COVID-19 prevention
- 22,056 people, including 11,325 MVC, now have access to clean water

EDUCATION

- 5,026 people trained to homeschool their children
- 4,496 children received home-learning materials
- 4,191 People trained on parenting education

CHILD PROTECTION AND ADVOCACY

- 20,619 people, including 6,051 MVC, received child protection and child rights awareness
- 12,713 people, including 8,665 MVC, received psychosocial support
- 4,062 people were trained on child protection programming

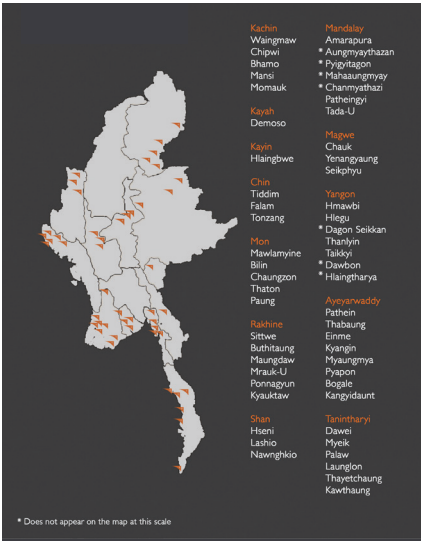

FOOD AND CASH ASSISTANCE

- 222,705 people, including 95,109 vulnerable children, received food assistance
- 11,770 people received cash assistance

World Vision has been on the ground in over 40 townships serving nearly 3,000,000 people, including more than 1,200,000 children and 15,000 Internally Displaced People (IDPs), through our life-saving relief efforts in the areas of child protection, health, education, clean water, as well as supporting those whose livelihoods have been destroyed during the conflict.

Where we work

Over 40 Townships across Myanmar

Children and families in IDP camps in Kayah State have access to clean water.

World Vision delivers rice, cooking oil, hand sanitisers and soaps to the community in Thabaung Area Programme.

Children learn and play with home-learning materials.

World Vision provides cash assistance to the families in Dagon Seikkan Area Programme.
