The governments of Romania and Moldova introduced new temporary protection policies to govern legal access by Ukrainians to services.

Ukrainian refugees in Romania decreased considerably to around 94,000 by the end of May 2023.

A consumer price index of 26.6 according to the National Bank of Ukraine continues to drive the cost of living higher making basic household goods inaccessible to conflict-affected families.

At least 73% of the 5.08 million internally displaced people (IDPs) from the UNHCR Situation Update come from Donetsk, Kharkiv, Kherson, Luhansk, and Zaporizhzhia. The elderly, people with disabilities, children and women are among the worst affected.

Out of 17.6 million people in need, 11.1 million people (6.3 million internally displaced) are targeted for support under the Ukraine Humanitarian Response Plan 2023.

Funding raised through the Ukraine Flash Appeal has been lower; only 24% received out of the 3.9 billion requested which when compounded with ongoing hostilities has constrained access to conflict-affected households.

The Ukraine Humanitarian Needs Overview (HNO) estimated that 3.4 million children in Ukraine need immediate child protection services. This figure includes 10 percent of children with disabilities. As of October 2022, the Child Protection Sub-Cluster estimates that over 2 million children have been internally displaced within Ukraine.

Note: A large percentage of our work in the Ukraine Crisis Response is through our new partners in difficult locations, thus the lag in gathering report data.

Response Highlights

World Vision has been active in the country for more than 30 years and currently supports refugees from Ukraine as well as host communities and institutions, with 12 partners in 13 districts. World Vision has been able to deliver direct assistance from the first days of war and is focused on supporting refugee families and children displaced without their families through programmes that respond to their immediate needs, facilitate their integration in host communities, and access to basic rights as basic needs – food & non-food, cash assistance, education, psychosocial support, participation, and livelihoods.

**MPHSS:**
- Protection Behavior Rules to Child-Friendly Spaces were introduced and biweekly MHPSS monitoring sessions were conducted to ensure quality deliveries and as part of the capacity building efforts, 29 trained staff led the MHPSS initiatives.

**FOOD/NFI AND CASH AND VOUCHER PROGRAM (CVP):**
- The Romanian government’s social protection policy transition resulted to the decrease of refugees inside the country, and thus also reduced the potential assistance in some programs providing basic needs.

**EDUCATION AND CP:**
- Facilitators and psychologists for Happy Bubbles were trained on disability assessment, well-being monitoring, child-friendly approaches and inclusion, staff well-being and Prevention of Sexual Exploitation and Abuse (PSEA).
- 144 children and mothers participated in the First Aid Art Program in Bucharest, Brasov, Constanta, Cluj, Iasi, Suceava and Valcea, 13 children with disabilities attended specific therapy sessions at Cattia Centre in Brasov.
EDUCATION AND CP:
- The amendment of Temporary Protection modalities for Ukrainian refugees renewed commitment of the Moldovan Government and Child Protection Sub-Working Group to ensure unaccompanied and separated children are registered for MHPSS, food and cash programs, among others.
- Ukrainian children in Moldova are provided tablets and internet connection access to online education provided by Ukrainian educational system.

MHPSS:
- Capacity building was provided to partners on MHPSS-related service provision in emergency settings.
- Training of problem management conducted with WHO in Moldova conducted the problem management plus training for selected partner staff and MHPSS TWG actors. In response to coordination need, WVI has actively engaged and positively continued to participate in the MHPSS TWG activities where actors frequently meet to deliberate on issues pertaining to MHPSS.

FOOD/NFI AND CVP:
- 2,628 food-in-kind were distributed by partner Foodbank to refugees and the host community members to address the food security needs.
- 148 NFI vouchers and provided by partners HelpAge and 2,628 NFI kits provided by Foodbank to the elderly and vulnerable refugees and host communities.
