World Vision has invested heavily in coordinating with, and being accountable to the Vanuatu Government, humanitarian and donor partners, and the communities we serve.

**Coordination and Accountability**

- **20** distribution maps shared with clusters and stakeholders
- **7** partner organisations supported
- **19** WVV staff attended coordination forums with National & Provincial Government agencies & international donor & development partners
- **37** staff seconded to PEOCs (Shefa and Tafea) and NDMO including rapid assessments
- **14** situational reports shared over the 3 months with 22 national stakeholders
- **74%** of community feedback has either been addressed or resolved, 26% in process

**Early-Mid Recovery**

- **16** water systems fixes in 7 communities, at 5 schools and 4 health centres on Tanna in partnership with Department of Water Resources, Provincial Government, schools and communities
- **11,765** healthy and nutritious meals provided over 6 weeks as part of a feeding program by Wan Smolbag Theatre
- **10,000** locally-produced nutrition supplement biscuits prepared as part of a child-focused nutrition and health awareness program

The public of Australia, New Zealand, Taiwan and the United States via World Vision
