United Kingdom**

Total Budget:
US\$ 4,713, 566

33 villages in
3 communes

The Community's life in the past

Only **3.4%** of population used toilets in 2009.

In 2009, only **1%** of households had access to water sources, and people had to walk between 1 and 4 kilometers to collect water for their families.

In 2010, **72%** of girls and 75% of boys aged 6-11 were enrolled in school.

61% of Grade 3 students could not read with comprehension.

In 2017, only **58%** of libraries met half of the full set of The Ministry of Education, Youth and Sport (MoEYS) standards.

Only **43%** of School Management Committees were functioning in 2016.

Violence against children (VAC) issues identified in 2017 included physical punishment as a form of discipline, child labor, early marriage, and other harmful practices.

Programme Goal

Strengthening the capacity and empowering the community small groups and partners to improve sustainable Child Well-Being outcomes, especially for the most vulnerable children and their families.

Development pathway (2008 - 2024)

2008

2024

(The assessment was conducted in 2008.)
