

# A VOICE FOR EVERY CHILD

Masabata Speaks Out!

# **CHILD - LED. HOPE - DRIVEN. PROTECTION FOR ALL.**

At the handover of the child-friendly Child and Gender Protection Unit in Pitseng, a brave young girl stood tall for all children. Her words remind us why safe spaces matter and why every child deserves to be protected, heard, and empowered.

**CHILD-FRIENDLY SPACES MAKE ALL THE DIFFERENCE**

A young girl with short, dark hair is shown in profile, speaking into a microphone. She is wearing a brown jacket with an orange collar. The background is blurred, showing green foliage and other people. An orange circular graphic is overlaid on the bottom right of the image, containing white text and a large orange quotation mark.

We as Pitseng Primary learners are  
thankful for this opportunity to  
congratulate World Vision on constructing  
this wonderful office.

# **CHILDREN ARE ASKING YOU TO ACT!**

Masabata's voice is a reminder and a call to action; her hope is for all children to feel protected.

**CHILDRENS RIGHTS**

Parents, teachers, please offer public gatherings and inform children about human trafficking and early marriage because they are some of the serious violations.
