World Vision Brings Global Leaders Together at Annual Prayer Service for Children

World Vision International hosted its Annual Prayer Service for Children during the 80th UN General Assembly, uniting faith leaders, policymakers, and advocates to pray for the world's most vulnerable children. Ghana's First Lady, Lordina Mahama, urged global leaders to act with wisdom and compassion for children in conflict zones. Leaders from across the globe lifted prayers for safety, education, and a brighter future for every child. Partnerships like World Vision and World Food Programme continue to bring hope, reaching millions with food and support. Together, we believe in faith, hope, and love for a world where every child thrives.

HUMANITARIAN AND EMERGENCY RESPONSE

Dignity Kits:
A Gift that Restores Sense of Self-Esteem for Women and Girls in Zini and Tarikom Refugee Camps

At Zini and Tarikom Refugee Camps, hundreds of women and girls received Dignity Kits from World Vision Ghana and UNFPA a lifeline of hygiene essentials like sanitary pads, soap, and underwear. For Aisha and Alima, who fled violence in Burkina Faso, these kits mean more than comfort they restore health, safety, and dignity in the hardest times. "They remembered we are women and humans and gave us back our lost dignity," said a beneficiary.

EVERYONE THRIVE

Everyone, everywhere we work,
has the transformational tools
they need to lift themselves
out of extreme poverty

World Vision is driven to see everyone, everywhere we work, have access to the transformational resources they need to move themselves out of poverty. This economic empowerment business plan is structured to deliver targeted, evidence-based interventions that help communities and households build improved, resilient, and sustainable livelihoods for the well-being of their children. We will work towards this goal by delivering layered and sequenced activities with an integrated focus on Gender Equality and Social Inclusion (GESI). Investments in critical technology advances will allow us to enable and verify activities as well as support learning and capacity development to ensure program quality, effective operations, and innovation.

Going further together

Mabel A. Adobor: Driving Change Through Child Sponsorship

Meet Mabel A. Adobor, our passionate Child Sponsorship Manager, whose work ensures that child sponsorship is not only well-managed but deeply meaningful. She leads the national strategy, integrating sponsorship into development programmes and promoting it as a life-changing relationship between children, families, communities, and sponsors.

One of Mabel's proudest moments was leading the implementation of Chosen, where 87 children selected their own sponsors for the first time. She recalls a major milestone organizing a Chosen event for 2,000 children in just one week, made possible by teamwork and dedication.

Mabel finds joy in engaging with vulnerable communities, educating families on the power of sponsorship. "It reminds me of God's goodness and my calling to serve," she shares.

Before joining World Vision, Mabel worked in training and development, an experience that sparked her desire to work in the humanitarian space. Today, she dreams of becoming an expert in Child Protection and Safeguarding, empowering children as agents of change.

Her motivation? The smiles of children whose lives are transformed through sponsorship and the opportunity to live out her faith while serving others.
