

Current State of Disability in WASH Programming

Ray Norman
Director for Faith Leadership, WVI

What World Vision has done:

Mali, WARO, SARO, EARO, Uganda, KRI

What others are doing:

WEDC (University of Loughborough),
WaterAid, RWWSN, Australia

Challenges/Opportunities

1. Sensitization & ownership at senior levels
2. Coordinators/champions & networks/support groups
3. Resources & tools
4. Inclusive planning from outset (vs remediation)
5. Importance of schools
6. Staff capacity for assessment (engagement skills)
7. Contractors for WASH facilities
8. Metrics/indicators

Next Steps?

1. Disability coordinators/champions
2. Standards, Principles of Excellence (then metrics)
3. Local Church & faith leader engagement
