Factsheet
NEPAL

We work in 11 districts in 6 provinces with 44 local-level government bodies.

17 years in operation
18 programme locations
200+ staff

Nepal Earthquake Response (April 2015-April 2018)
Total Reach 573,688 in 10 affected districts

Total Reach (in 2016-17)
478,799 including 161,692 children

OUR GOAL
To address the causes of poverty and inequity for the sustained well-being of 1 million children (2016-2020)

WHAT WE WILL ACHIEVE
ROAD TO 2020

EDUCATION
Quality, safe and inclusive basic education is accessible for children

HEALTH
Improve child health

RESILIENCE
Increase community resilience to disasters and economic shocks

PROTECTION
Increase protection for vulnerable groups

• 25% increase in proportion of children who can read with comprehension
• 10% decrease in the proportion of young children who are underweight
• 50% increase in proportion of caregivers able to provide well for their children
• 185 wards implementing local disaster risk management plans
• 50% increase in proportion of youth in employment, education or training
• 50% children report a reduction in harmful practice (child marriage and gender based violence)
• 247 wards have local committees actively working to address child protection issues

OUR IMPACT (in 2016-2017 within our working areas)

**EDUCATION**
- 8.1% increase in children who can read with comprehension
- 538 schools, 331 Early Childhood Education and Development (ECED) centres supported to help improve learning
- 39% of the schools and 54% of the ECEDs were able to achieve one or more government standards

**HEALTH**
- 3% decrease in the prevalence of underweight amongst under-5 children
- 170 local health facilities supported to promote safer motherhood, child health and nutrition
- 7% increase in safe birthing practices after interventions in safer motherhood

**RESILIENCE**
- 4,497 farmers reported an increase in income
- 45% of vulnerable youths provided with vocational training are now self-employed
- 27 Local Disaster Risk-Management Plans (LDRMPs) prepared and implemented as per government framework

**PROTECTION**
- 59 Village Child Protection and Promotion Committees’ (VCPPCs) capacity has been built in incident management, local advocacy and awareness raising
- 26 Village Development Committees supported in the promotion of Child Friendly Local Governance

INNOVATIONS & CAMPAIGNS
The Innovation Lab is a part of WVIN and provides a collaborative working environment to test, prototype and scale breakthrough solutions for humanitarian and development challenges.

**IT TAKES NEPAL TO END CHILD MARRIAGE**
