

FOR CHILDREN FOR CHANGE FOR LIFE

World Vision stands with the Council of Governors and the Ministry of Devolution and Planning during the 2nd Annual Devolution Conference.

We reaffirm our commitment to strengthen our collaboration with both the National and County Governments towards achieving the Objects of Devolution as provided for in the Constitution of Kenya.

We join the Leadership and Citizens of Kenya in promoting the values and principles of good governance as provided for in the Constitution of Kenya.

Together we can end poverty, end preventable deaths and improve the wellbeing of the people.

WE CALL UPON ALL STAKEHOLDERS TO WORK TOGETHER WITH THE NATIONAL AND COUNTY GOVERNMENTS TO DEVELOP APPROPRIATE STRATEGIES AND ACTION PLANS FOR;

- Identifying the most vulnerable children and better targeting resources towards them
- Increasing investment in quality and accessible health services with sufficient trained staff
- Scaling up efforts to ensure improved nutrition for all children
- Improving protection, access and quality education for all children
- Improving livelihoods and resilience for the youth, households and their communities
- Strengthening accountability systems; including reporting on resource management and performance, fostering transparency and public participation in decision making

WITH THE MILLENNIUM DEVELOPMENT GOALS (MDGS) COMING TO AN END THIS YEAR AND THE POST 2015 SUSTAINABLE DEVELOPMENT GOALS (SDGs) BEING LAUNCHED, WORLD VISION WILL SUPPORT THE NATIONAL AND COUNTY GOVERNMENTS TO;

- Promote ownership and support by the Citizens for the SDGs and Targets
- Develop a strong system for implementation, monitoring and evaluation of the new development goals; and putting in place robust multi-stakeholder platforms to support local implementation and public participation
